SPRING REUNION '88

It was the largest spring reunion St. Michael's ever celebrated. Thanks to the energetic work of the Class Reps, members of the honoured years turned out in substantial numbers. The spirit of the entire weekend was joyful as returning alumni joined in the various events prepared for them by the College and the University. Things got off to a good start on Friday night with the lively reception in the Odette Student Lounge in Brennan Hall. Saturday saw the University-honoured years lunching at Hart House and enjoying the garden party at the President's Rosedale home. Those who toured the St. Michael's campus under the guidance of Fr. Fred Black, our Archivist, were enlightened and thrilled by the history of the various buildings.

1988 Spring Convocation

By Kristin Marshall

June 15th arrived, a brilliant and sunny day. The St. Michael's campus looked magnificent, adorned with colorful flowers and its great trees. By mid-morning, the quadrangle resounded with life as students and staff gathered, greeting each other. St. Basil's church was filled to capacity for the Baccalaureate Mass. Proud parents, relatives and friends tried to get a glimpse of the graduands in procession. For some, the setting was reminiscent of their own Graduation. In a wise and touching homily, Fr. Richard Donovan reflected that Eucharist means thanksgiving; indeed, on this special day we are reminded that there are so many blessings deserving our thanks, especially the gift of faith (which we have all received). It is our task to be witnesses of this faith, incorporating the spirit and heritage of St. Michael's College into the fabric of our lives.

The high temperature at Convocation proved to be one final test for the students before their Graduation. Many members of the St. Michael's Faculty and Staff, dazzling in an array of robes and caps, endured the heat, once again demonstrating their long-standing (and sitting) support. The hooding ceremony signified the successful completion of a degree in Arts, Sciences or Commerce. The address given by Professor John Browne, Principal of Innis College, emphasized that regardless of the students' area of study, what truly lasts and benefits society is an educated imagination. As Convocation Hall emptied, hundreds of cameras caught the exhilaration of the day, and recorded fond friendships. The ensuing receptions at Hart House and the Odette Student Centre in Brennan Hall offered welcome refreshment to everyone. The Award ceremony at St. Mike's gave special recognition to outstanding students. To wrap up the memorable day, the Students' Union held a dance in Brennan Hall for those who had any remaining energy. A full and moving day.

All in the family! Fr. Paul Burns, C.S.B., 6T2 with his Soden relations: Kathryn 8T8, Julie (Burns) 6T3, Larry 6T4, Kristen 8T8.

Mr. and Mrs. Bob (5T2) Henry and son Bill 8T8.

Kristin Marshall 8T8 and parents Ann 5T4 and Dick, with Fr. John Ruth 3T8.

Siobhan Mulrooney 8T8 and Caroline Regan 8T8 with parents Ray and Vera (Cobitz) 5T2 Mulrooney and Shiela (Hogan) 5T1 and John 5T3 Regan.

VARSITY FUND '88

The NOW part of the Plan

Recent *Newsletters* have made clear the financial difficulties of the College, and they have outlined the integrated three-part plan that has been devised to deal with them; 1988 is seeing the implementation of all parts of that plan.

The development of the Bay Street property is intended to provide a desperately needed endowment, the interest of which will be used to pay our bank debts, make up the annual operating deficit, and provide some solutions to other fiscal problems that have been growing unavoidably over the past decades.

The second part of the plan looks to the future. It is the recently launched Capital Campaign, whose funds will provide the academic facilities necessary to ensure our ability to accommodate adequately the increasing numbers of qualified, promising stu-

dents seeking entrance to St. Michael's and the opportunities we enjoyed

when we were here.

The third part of the plan has very much to do with the present. It is the Varsity Fund, which for twenty-seven years has enabled the College to meet day-to-day educational needs and maintain and enhance St. Michael's tradition of excellence. Your generosity in the annual Varsity Fund drives has set the standard for the entire University of Toronto. This year, 1988, that generosity is receiving a greater challenge than ever before.

You have by now received a request to give to the Capital Campaign, part two of the plan, and in that way contribute to St. Michael's future. You will also be asked to support the 1988 Varsity Fund, the third part of the plan, that puts in the Kelly Library the books needed *now*, that provides scholarships for *today's* outstanding students, that *currently* helps mount such distinctive College Programmes as Christianity and Culture and Celtic Studies, that makes possible *this year* the Writing Lab and the supervision of the Computer Centre, as well as special spiritual, cultural, social and athletic activities, and special lectures by renowned visiting professors. These, and other programmes and events supported by your contributions to the Varsity Fund, are major and essential elements in the unique and distinguished quality of the total educational experience available at St. Michael's. Their degree of excellence, indeed their very existence, relies in large measure on the Varsity Fund, the crucial third part of the integrated fiscal plan.

You will not yet have received a 1988 Varsity Fund appeal letter. Have no fear; you will! The Varsity Fund solicitation material will reach you by early November. We have a great opportunity to show again the spirit that makes St. Michael's number one. Help the College reach its 1988 Varsity Fund goal of \$525,000 (we did it last year!) and also achieve the objective of the five-year Capital Campaign.

The present and the future of St. Michael's are in no small way in your hands.

THANK YOU MARGARET DOONER — WELCOME EVA WONG

It is with regret that we say farewell to Mrs. Margaret Dooner, who leaves the position of Administrative Assistant in the Alumni Office. Margaret came from six years' secretarial service in the St. Michael's Registrar's Office to the Alumni Office when the present Director moved in July 1985. Relying on the help and advice of their predecessors, they struggled to master the mysteries of alumni work. Margaret succeeded; the Director struggles on.

Margaret's pleasant manner, ever-present common sense and understanding created an atmosphere of welcome and warmth in the office. She continually responded with kindness and patience to requests for information and assistance from alumni, faculty, staff and students. She maintained a fine rapport with all the members of the staff; the Alumni

Office profited greatly from her efficiency and industry. **Thank you, Margaret Dooner.** We wish you and your husband, Joe, all the best as you move back to Montreal.

Fortunately, we are able to welcome Mrs. Eva Wong as the new Administrative Assistant. Eva has taught the Chinese Heritage programme for the Toronto Metropolitan Separate School Board, and worked for the Bank of Montreal and Olivetti, Canada. She comes to the Alumni Office from the University of Toronto's Department of Ophthalmology where she served as Secretary to the Chairman and then to the Director of Research. She was chosen from over twenty applicants. We look forward to her contribution to the work of the Alumni Office.

St. Michael's Capital Campaign Director— Welcome!

On 9 May, Maude McCarty took office as Director of St. Michael's Capital Campaign. Maude was chosen by the search committee from a field of several excellent applicants. A graduate of York University, she brings to the position academic experience as student, teacher, and administrator. Along with her knowledge of German, Spanish, modern Greek and Italian, she brings to her role practical administrative and fund-raising abilities gained through her involvement as assistant to the Project Director of the Italian Cultural Institute, Administra-

tive Assistant in the Faculty of Nursing in the University of Toronto, and her work with the Metro Toronto International Caravan and the Canadian Opera Company's telemarketing programme. Her talents and experience joined with the work of Campaign Chairman, Richard Alway and Fr. James McConica, C.S.B., have been important factors in the success of the early stages of our Capital Campaign. The Alumni welcome Maude to St. Michael's and in wishing her well in her new position, we are also wishing ourselves well.

Maude McCarty, Capital Campaign Director.

ANNUAL GENERAL MEETING 1988

Some sixty St. Michael's alumni assembled in Charbonnel Lounge Monday, 2 May 1988 for the Annual General Meeting.

President Chris Driscoll reported on the work of the previous year, noting the increased committee activity, the growing numbers returning for the fall and spring reunions, the success of the Varsity Fund and the revitalized interest in branch activity. Chris spoke of the Board's determination to continue to move ahead in these areas, with special attention to reunions, branches, special alumni events, and the work of committees. The meeting then heard brief reports from Fr. James McConica, C.S.B., Principal William Dunphy, and Fr. Robert Madden, C.S.B., outlining developments in the College and plans for the future and emphasizing the vital role played by the alumni in the life of St. Michael's. Richard Alway 6T2, Warden of Hart House and Chairman of the St. Michael's College Capital Campaign, addressed the meeting about the campaign, emphasizing the need for such a fund-raising effort, how it fitted into our complete financial picture, how it would be conducted, and the crucial part the alumni would have to play.

The slate for the Board of Directors of the University of St. Michael's College Alumni Association for 1988–1990 was then presented. There were no new nominations, and the following were elected Members of the Board:

Frank Smith Memorial Dedication

The family and alumni friends of the late Frank Smith 5T8 established a fund to purchase finely-printed illustrated books to enhance the uniqueness and quality of the Kelly Library's Sable Collection of the literature and culture of the French Romantic period. The fund was in excess of \$10,000 and the books purchased form a fitting memorial to Frank's devotion to St. Michael's. On Saturday morning, 4 June Frank's family and other contributors to the fund gathered from far-and-near in the Library for the dedication of the Frank Smith Memorial. After brief remarks by Fr. Joseph Dorsey, C.S.B., Fr. James McConica, C.S.B., Professor Mariel O'Neil-Karch of the French Department and Frank's close friend, Dan Regan 5T8, the donors viewed a display of the beautiful newly purchased volumes and then adjourned to the Odette Lounge in Brennan Hall for a buffet lunch.

BRANCHES BRANCHES BRANCHES

For some years Chicago-area Alumni of Canadian Universities have gathered annually in the "City of the Big Shoulders." Kathy (Brunnen) O'Regan 6T4 and Pat (Hollie) Harding 5T8 have been faithful U of T contact persons for this event. The 1988 gathering took place in the University Club of Chicago Friday, 22 April. It was a wonderful affair and was enjoyed by the largest U of T contingent ever to attend. The St. Mike's alumni numbered over twenty, more than half of the number known to be in the area. Fr. James McConica, C.S.B., and Fr. Bob Madden, C.S.B., joined in the festivities, as did Gordon Cressy, U of T Vice-President, Institutional Relations and Development, and Rivi Frankl, newly appointed Director of U of T Alumni Affairs.

The evening began with a wonderfully mobile (and noisy) reception and continued with dinner, at which the Principal of McGill University spoke

of the developments in Canadian Universities. After dinner, the Toronto group met together over coffee, and Mr. Cressy spoke briefly.

All in all it was a very fine evening.

another heartening St. Michael's Branch turnout, and a welcome opportunity to mingle again with friends from college days and meet new friends and fellow graduates of St. Michael's and the U of T. Many thanks to Kathy O'Regan and Pat Harding and others who helped them contact the St. Mike's Chicago Alumni.

We hear occasionally of informal reunions of St. Michael's Alumni ("sprouts" rather than branches!) who gather to celebrate and remember their special association which began at St.

Jim and Mary (Brennan) Ziegler 7T3.
Anne (Ryan) 7T4 and Fred Butzen 7T5.

Michael's. One such group is in Ottawa where Patricia (Kelly) Massel, 5T1 and a few graduates of that time get together periodically. This year another group, who came together initially at St. Joseph's, had a "branch" gathering the weekend of 16 April at the Toronto Westbury. Clare (Gougeon) Lalonde 7T1 now living in Capreol, Ontario, sent in a brief but revealing account of her reunion with Maureen (Quinn) Callaghan 7T1, Johanna (Favro) Hurd 7T1, Gail Kaye, Judy (Aasen) Panylo 7T1 and Maureen (Craigen) Woolfry. Clare wrote, "what a wonderful time we had reminiscing about our college days and encouraging each other....Friends are true treasures." Amen to that!

If you know of other such gatherings, let us know and we shall report them in "Branches."

ANNE-MARIE (KINSLEY) GORMAN AWARDED 1988 PRINCIPAL'S MEDAL

The Principal's Medal, established in 1978 by the family of Professor Lawrence Lynch to honour his long and fruitful association with St. Michael's, is awarded annually to the graduating student who, in the judgement of the Principal on the advice of a committee, best exemplifies the qualities fostered by the College. The 1988 winner is Anne-Marie (Kinsley) Gorman.

There were four outstanding candidates this year and, because of the closeness of this year's competition, the selection committee agreed to announce, for the first time in the history of the medal, the names of the other three candidates: Kristin Marshall, Anthony McKinnon and Laura Syron. Anne-Marie, the daughter of Bill (5T8) and Therese Kinsley, came to the College from Montreal. Here she specialized in Physics. By the second year, as a member of the student government, she was organizing lectures, debates, and the annual student course evaluations. During her third year she was one of the four university-wide elected undergraduate members of the governing body of the entire University of Toronto. In that capacity she served on the important Academic Affairs Committee and the Committee on Campus and Community Affairs. In addition, as a member of the Presidential Budget Advisory Committee, she participated in devel-

oping the nearly half-billion dollar operating budget of the University of Toronto. In her graduating year she served as the undergraduate member of the Collegium, the supreme governing body of St. Michael's.

Anne-Marie has been a scholarship student, graduating with distinction, and combining her interests in Mathematics and Physics with studies in Mandarin Chinese, and Spanish. She is fluent in both French and English. Her "extra-curricular" activities included conducting St. Michael's campus tours arranged by the University's Office of Admissions for pros-

pective students, taking part in a campus Christian discussion group, and serving as a lector in St. Basil's Parish. She was also involved with the Hart House Chamber Wind Ensemble, Amnesty International, and our very own SMC Field Hockey 'A' team. Her active participation and interest in debating led her to the 1987 University World Debating Championships in Dublin, Ireland. Nor does all of the above exhaust the list of her activities and her contributions to the life of St. Michael's and the University.

From four extraordinary final candidates, a worthy winner!

In Answer to Your Question

We continue to receive enquiries about the possibility of including St. Michael's as a beneficiary in one's will. It is indeed possible, and it is a way to continue providing for the College's future. A person wishing to arrange such a legacy or bequest need only consult his or her lawyer for the proper wording. If you have questions about this please call the Alumni Office, 926-1300.

Alumni Events

Father Walter Principe, C.S.B. to Guide Inaugural St. Michael's Alumni May Retreat

The Alumni Board is proud and happy to announce that there will be a retreat on the College campus for St. Michael's alumni in mid-May 1989. The final schedule has not been completed, but a tentative one has been outlined which calls for two presentations by Fr. Walter Principe, C.S.B., on Saturday 13 May with the opportunity for appointments with St. Michael's faculty members (lay and

clerical) for private discussion. There will then be a Mass followed by dinner and a brief concluding session.

The purpose of this retreat is to provide the opportunity and setting for private and common prayer, quiet reflection, presentations on aspects of the Christian life and the possibility of a private meeting with a member of the faculty for further brief discussion.

Fr. Principe is known to many

alumni. He is a graduate of FI 6 and has taught at St. Michael's and the Pontifical Institute since 1953. He is widely known as a scholar, teacher and spiritual director; his knowledge of Spiritual Theology and the history of spirituality has brought him many invitations to give retreats and conferences. Fr. Principe's immediately positive and generous response to the Alumni's invitation is not surprising; what is surprising is that his schedule allowed him to accept the invitation at all.

Come back to St. Michael's for the Alumni Retreat. The final schedule with precise topics, arrangements for spending the week-end on campus or coming for Saturday only, and cost will appear in the spring issue of the *Newsletter*. There is a limit of 50; if you wish to reserve a place now, write to the Alumni Office at the College.

Father J. Reginald (Reg) O'Donnell, C.S.B., F.R.S.C. 3T1 1907—1988

Fr. J. Reginald (Reg) O'Donnell, C.S.B., died 5 February 1988 at the Basilian Residence, St. Basil's College, where he had lived in his later years after his health made it no longer possible for him to stay in his quarters at St. Michael's.

For nearly forty years Fr. O'Donnell laboured as a professor in the Department of Classics of St. Michael's and in the School of Graduate Studies of the University of Toronto; he was among the first scholars trained as founding staff of the Pontifical Institute of Medieval Studies and was a Fellow of that institute for almost four decades. His talents for languages and philosophy, his immense capacity for work, and his dedication to "first-class" scholarship led him from graduate studies in Cracow, Paris and Breslau to his academic appointments in Toronto. His many honours included election as Fellow of the Royal Society of Canada, a Canada Council Senior Fellowship at Florence and Rome, and a Fellowship of the Institute of Advanced Study at Princeton.

Fr. O'Donnell will be remembered by the international scholarly community for his learned editions, arti-

cles, and conference papers. His students respected him and recall him as a strict teacher who demanded close and accurate reading of ancient texts, who devoted himself wholeheartedly to their academic and personal welfare, and who was ever ready to join with them in scholarly and social pursuits. He was often quoted as saying, "The texts are there—if you can read them." He contributed greatly to the ability of generations of classicists and medievalists to read those texts.

Second Annual Advent Alumni Family Mass,

Saturday 17 December

Last year the Alumni Board inaugurated a special Advent Mass for St. Mike's alumni and their families. More than fifty attended and expressed the hope that this might be an annual event. So, at 4:00 P.M. Saturday 17 December in the Odette Centre Lounge, Brennan Hall, the second annual Advent Alumni Family Mass will be offered. It will provide the opportunity for Alumni and their families to gather informally to prepare spiritually and socially for Christmas, to enjoy good company, and to partake of the cookies and other baked goodies you are invited to bring. Coffee, tea, juice will be provided. Come and prepare the way of the Lord!

Mary Walpole, whose columns on Toronto dining in one of the city's leading papers are necessities for local inhabitants and visitors alike, was present for the weekend as a member of the class of 2T3; she was kind enough to write the following 'review':

By Mary Walpole 2T3

Remembering those long ago days when the gentler sex were not allowed within the sacred portals...it was a joy to be so graciously wined and dined by the Basilian Fathers on the occasion of our Graduation Reunion...sixty five incredible (to me) years since it all happened. The setting had just the right mood for the 275 guests...the handsome Canada Room...with its high ceiling, tall windows and rich panelling lending it an air of academia. Our salad course, crisp and cool, was served first in the best French manner, followed by delicious Roast Beef...perhaps not fork tender, but

hearty and flavourful; al dente Veggies and hot and crunchy Pomme Par-sienne. Dessert was a Pink and Pretty Strawberry Mousse, Cookies and excellent Coffee. Most everyone who came to dinner turned up again for breakfast, a fine repeat performance with Hot and Creamy Scrambled Eggs, nicely Browned Sausages, Chilled Orange Juice and again that very good Coffee. All served efficiently and pleasantly by a staff who deserve five stars.

Those who missed it, eat your hearts out!

The College Chapel was full to overflowing for the Reunion Mass, during which Fr. Joe Dorsey, C.S.B., 3T8 reflected on the importance of unity and community, and the role that St. Michael's has played over the years in creating both.

After the brunch described above by Mary Walpole, people lingered through the afternoon then returned home with one more memory to add to the many that the weekend had refreshed.

CAMPUS NOTES

• Thursday, September 29, 4:10 there will be the traditional St. Michael's Mass, followed by reception and presentation of scholarships and awards to first-year students in Odette Student Centre Lounge, Brennan Hall.

• Chaplaincy directors Sister Johanna d'Agostino, IBVM, and Father John Gaughan, C.S.B., attended the Canadian Catholic University Chaplains' Conference at the University of Guelph from 26 to 31 May, and the National Newman Conference at the Newman Centre, Toronto 21-26 August. Laura Syron 8T8, SMC Student Union President '87-'88, was a member of the Conference Planning Committee for the Newman Conference. St. Michael's hosted one of the social events of the meeting.

• The St. Michael's Community received a Certificate of Recognition from Cardinal G. Emmett Carter for the donation to the Share Life appeal of proceeds from a campus-wide Lenten poverty meal which was sponsored by the College Council Peace and Social Justice Committee. This committee earlier sponsored an Advent drive that aided the famine relief programme of the Catholic Conference for Development and Peace. Members of St. Michael's also took part in the Toronto Food-Bank Drive, and the Daily Bread project, which assist the poor in Toronto.

• Fr. Leo Walsh, C.S.B., Associate Professor of Moral Theology in the Faculty of Theology and Department of Religious Studies will spend this year working with homeless youth in Glasgow, Scotland.

• Professor Janine Langan, Christianity and Culture, was named one of the three recipients of the award for outstanding teachers in the humanities by the U of T's Students' Administrative Council and the Association of Part-time Undergraduate Students. The award citation noted Professor Langan's exceptional dedication to her students and her "classroom

verve". Fr. Robert Madden, C.S.B., English Department, received honorable mention.

• Several very valuable additions have been made to the John M. Kelly Library collections. Among them is a microfilm edition of 1,336 Irish manuscripts covering the period 1700-1900 and dealing with law, history, letters, lexicography, literature and natural philosophy. Also, our substantial G.K. Chesterton Collection has been enriched by 1,560 items, the gift of Mr. Peter W. Moore of Peterborough. Included in Mr. Moore's gift was his collection of Maurice Baring material. As an indication of the *in-house* use of materials in the Kelly Library, over 6,273 books and 1,384 periodicals were consulted in the library between 16 November and 23 December of 1987.

• The American Ambassador, Thomas Niles, was welcomed to the College on 4 March by the Dean of Men, Alexander Reford 8T4. Mr. Reford was waiting at the St. Joseph Street entrance to the College while Mr. Niles, who had arrived at the St. Mary's Street entrance, was wandering unguided and unguarded through the upper regions of Elmsley Hall. Mr. Reford had chosen the St. Joseph Street approach because, in his words, the Elmsley entrance is "solitary, poor, nasty, brutish and short." However, the mistake did not play hob with the occasion, and there followed a pleasant luncheon and a lively session with the students in which American foreign policy was discussed and Ambassador Niles answered questions.

• Sunday, 25 September has been chosen for St. Michael's Annual First-Year Parents' Day. Alumni, students, administration, faculty and staff will welcome the parents of first-year students to the campus. Through presentations and tours, our guests will gain some sense of the life, spirit and physical setting of the college their sons and daughters have chosen. The day will

begin at 11:00 A.M. with Mass in the Assembly Hall; after the Alumni-sponsored light brunch there will be talks and tours.

• In a previous issue we noted our need for a piano for use by serious music students. Our appeal brought quick results, and we now have a fine upright piano, the gift of Mrs. Jessie Humphrys, through the good offices of Eleanor Austen, who will be remembered by many for her work as secretary to the Alumni Association.

• One of the seven National Scholars and one of the thirteen Arbor Scholars of 1988 have chosen to enroll at St. Michael's. Leah Theriault, the National Scholar, is a graduate of Memorial High School in Sydney Mines, Nova Scotia; her academic interests are general at the moment with a leaning towards the sciences. Jennifer Chiu, the Arbor Scholar, is a graduate of Cardinal Leger High School in Brampton, Ontario. The National and Arbor Scholars are chosen from candidates from across Canada. Alan MacDonald, one of the National Scholars at St. Michael's last year, came from Havre Boucher, Nova Scotia; in an interview in the *U of T Alumni Magazine*, he said of his first year experience, "I was a little hesitant about U of T because the place I come from is very small. If you're not careful here you can become a non-person. My college really helped."

• Members of the Christianity and Culture program inaugurated a special Continuing Education project for Metro's separate school teachers last spring. About thirty registrants were sponsored by the Metro Separate School Board's Staff Development office. Superintendent Paul Cartan and Continuing Education's Mimi Marrocco collaborated on what became a 20 hours (ten week) series entitled "Communicating Christian Culture". SMC faculty members Janine Langan, Fathers Bob Barringer, Brian Hogan and Doug Mosey began with an overview of the concept of Christian culture and then led dis-

cussions on Culture and the teaching of Scripture, Liturgy as a Culture form and way to experience and transmit the faith, and the roles of Church history and of Christian art and literature in education. A possible sequel to the program is being considered in co-operation with the MSSB's Catholic Teacher Centre team.

• The end of the 1987-88 academic year brought the retirements of **Professor Leslie Dewart**, Department of Religious Studies and Faculty of Theology, **Fr. Richard Donovan**, C.S.B., 4T7, Department of French, **Fr. Terrence Forstell**, C.S.B., 4T8, Faculty of Theology, Sister **Mary Madigan**, IBVM, Department of English

and **Mr. James Power**, Physical Plant. Their careers at St. Michael's represent over one hundred years of extraordinary service to the College and University communities. On behalf of the alumni, the *Newsletter* expresses gratitude to them for their contribution to the life of St. Michael's.

• Sport Shorts

The College Women's 'A' Soccer Team retained the Championship in their league.

Anne Marie Flynn, won the Angus Eskine Memorial Bursary awarded for academic achievement and participation in the Women's Athletic programme. Anne Marie played on the Field Hockey Blues and contributed to

their two national CIAU championships and their three outdoor and two indoor OWIAA championships.

Women's Varsity Blues Swim Team won the CIAU women's championship. **Mary Anne Runge** of St. Mike's was co-captain of the team and fellow SMC student **Marie-Thérèse Armentero** was named CIAU Female Swimmer of the Year. Marie-Thérèse comes from Switzerland and has been named to the 1988 Swiss Summer Olympic team.

The E.H. Schmidt Memorial trophy for the best St. Michael's coach was awarded to Lex Byrd, coach of the Mulock Cup team. It has been an active but building year for SMC men's athletics!

Buffet-theatre Night and Opera Outing Enjoyed by All

Two alumni spring events were very successful. On the evening of 5 March, thirty alumni and friends enjoyed a tasty buffet dinner in the Canada Room of Brennan Hall and after heard the student director of the St. Michael's Theatre Society's production of Luigi Pirandello's *Six Characters in Search of An Author* discuss the play. They then attended the performance in St. Michael Theatre in Alumni Hall. The audience was treated to an accomplished performance as the acting, staging, and directing merged to create a pleasing rendering of a difficult play.

On 24 April, we had our first opera outing. After Mass at 9:45 A.M. and an ample and delicious brunch, a group of forty alumni and friends listened to **Fr. Owen Lee**, C.S.B., Professor of Classics at St. Michael's and well-known Saturday Afternoon at the Met quiz panelist and Intermission Feature commentator, discuss *Ariadne Auf Naxos* of Richard Strauss. In an enlightening presentation Fr. Lee dealt with the mythological background to the opera, pointing out that several themes of the opera had been touched on in St. Michael's courses he took from Fr. O'Toole, Sister St. John and Fr. John Kelly. His remarks about

Fr. Owen Lee, C.S.B., 5T3 speaks of transformations.

the opera's major theme of transformation were most illuminating and proved more than helpful when his listeners went to the matinee performance.

About both events everyone said, "We should do this again." Your Alumni Events Committee is working towards the fulfillment of that hope. Stay tuned for further details.

Grammateion Available to Alumni

The 1988 *Grammateion*, the St. Michael's College journal of the arts, is available by mail to St. Michael's College alumni.

The journal has a 13-year history at St. Mike's and an even longer history as the *Gryphon*. This year's edition contains 72 pages of artwork, photography, prose, and poetry by St. Michael's students and alumni. A special feature of this year's issue of the *Grammateion* is an exclusive series of

one-question-and-answer interviews with such literary and artistic figures as Morley Callaghan, Hugh Hood, Alex Colville, Timothy Findley, Robert Fulford, Mavis Gallant, and Harold Town.

The editors report that they received a greater number of submissions this year than ever before, and several area bookstores have contracted to sell the journal. Advance interest was so great that the *Grammateion* received the

largest printing run of any of the college literary journals at the U of T.

Volume XIII of the *Grammateion* is available by sending \$4.00 for each copy requested to the Alumni Office, St. Michael's College, 81 St. Mary Street, Toronto, Ontario M5S 1J4. Postage is included in the price.

MEMORY LANE

"The times they have a-changed..."

A graduate of the 4T0's recently discovered that the Kelly Library facilities could be available to her. On receiving a library card she wrote the following note:

"As a female student of English and Philosophy at St. Mike's in the early 1940's, I was forbidden the use of the St. Michael's College Library on the grounds that "there were no washroom facilities for the girls." The deprivation rankles, especially since Fr. Brezik and others would recommend books that were available only in the St. Michael's Library. I suppose that the mindset

of those days was that St. Mike's should be a nurturing ground of scholastics and therefore the less seen of women, the better.

At any event, I am delighted to receive the *passe partout* now allowing me access to the Library.... You can be sure that I shall make use of the opportunity. I might even dig out my old notes to get the title of the philosophy book recommended to be read in 1943!"

Ed's note: If any of you have 'memories fit to print,' please send them along and we shall try to include them in Memory Lane.

Thank you, Fr. Hale!

Fr. Robert Hale, C.S.B., former Pastor of St. Basil's Church and for the last five years Bursar of the Pontifical Institute and of the University of St. Michael's College, has been appointed by the Basilian Superior General to new duties in Christ the King Parish, Rochester, N.Y. Fr. Hale's patience, humour, financial training and talents, and common sense were important factors in the reorganization of our Accounting Department. Fr. Hale was most supportive of the St. Michael's Alumni Association, and we take this opportunity to express not only our gratitude to him, but also our best wishes in his new appointment.
